Acest articol incisiv despre abrogarea libertăților civile și a libertății de exprimare în America a fost publicat pentru prima dată de Global Research în august 2006, acum 14 ani.

Acesta aduce în prim-planul dezbaterii foaia de parcurs aflată în curs de desfășurare către „Statul Poliției din America”.

Libertățile civile sunt abrogate în mod arbitrar. Există o represiune asupra libertății de informare.

Minciuna a devenit Adevărul.

O campanie de frică este însoțită de propagandă mediatică.

Sub administrația Biden, există un proces de supunere socială la autoritățile superioare.

Derogarea drepturilor fundamentale se realizează la nivel mondial.

Cei care pun la îndoială legitimitatea politicilor guvernamentale, inclusiv blocarea, vaccinul și perturbarea creată a activității economice sunt catalogați drept „teoreticieni ai conspirației”.

Este luată în considerare legea marțială?

Michel Chossudovsky, Cercetare globală, 16 iulie 2023

Suntem periculos de aproape de o situație în care ~ dacă poporul american ar ieși în stradă cu o indignare dreaptă sau dacă ar mai exista un alt 11 septembrie ~ **ar putea fi rapid implementat și implementat un mecanism pentru legea marțială în conformitate cu REX 84.**

Administrația Cheney/Bush are un plan care ar permite detenția unui număr mare de cetățeni americani în perioadele de urgență.

Planul se numește REX 84, prescurtare de la **Readiness Exercise 1984**. Prin Rex-84, un număr nedevăluit de lagăre de concentrare au fost puse în funcțiune în toată Statele Unite, pentru internarea dizidenților și a altora potențial dăunătoare statului.

Programul Rex 84 a fost stabilit inițial pe motivul că, dacă un „exod în masă” de străini ilegali a traversat granița dintre Mexic și SUA, aceștia ar fi arestați rapid și reținuți în centrele de detenție de către FEMA.

Existența planului Rex 84 a fost dezvăluită pentru prima dată în timpul audierilor Iran-Contra din 1987 și ulterior raportată de Miami Herald pe 5 iulie 1987.

” These camps are to be operated by FEMA should martial law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached.”

And there you have it ~ the real purpose of FEMA is to not only protect the government but to be its principal vehicle for martial law.

This is why FEMA could not respond immediately to the Hurricane Katrina disaster ~ humanitarian efforts were no longer part of its job description under the Department of Homeland Security.

It appears Hurricane Katrina also provided FEMA with an excuse to “dry run” its unconstitutional powers in New Orleans, rounding up “refugees” (now called “evacuees”) and “relocating” them in various camps. “Some evacuees are being treated as ‘internees’ by FEMA,” writes former NSA employee [Wayne Madsen](#).

“Reports continue to come into WMR that evacuees from New Orleans and Acadiana [the traditional twenty-two parish Cajun homeland] who have been scattered across the United States are being treated as ‘internees’ and not dislocated American citizens from a catastrophe”

We are dangerously close to a situation where ~ if the American people took to the streets in righteous indignation or if there were another 9/11 ~ a mechanism for martial law could be quickly implemented and carried out under REX 84.

Be forewarned ~ the Cheney/Bush administration will stop at nothing to preserve their power and their ongoing neocon mis-adventure and they have currently proposed having executive control over all the states National Guard troops in a national emergency.

Governor Tom Vilsack of Iowa, called the proposal " *one step away from a complete takeover of the National Guard, the end of the Guard as a dual-function force that can respond to both state and national needs.*"

The provision was tucked into the House version of the defense bill without notice to the states, something Vilsack said he resented as much as the proposal itself.

Under the provision, the president would have authority to take control of the Guard in case of " *a serious natural or manmade disaster, accident or catastrophe*" in the United States.

Do remember, to the Cheney/Bush administration ~ the Mob at the Gates that they truly fear is not terrorists but, instead, the people demanding the truth.

REX 84 AND FEMA

MINDFULLY, 2004 – There over 800 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA should martial law need to be implemented in the United States and all it would take is a presidential signature on a proclamation and the attorney general's signature on a warrant to which a list of names is attached. . . The Rex 84 Program was established on the reasoning that if a "mass exodus" of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention centers by FEMA.

Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government.

FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

The camps all have railroad facilities as well as roads leading to and from the detention facilities. Many also have an airport nearby. The majority of the camps can house a population of 20,000 prisoners.

Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold thousands of people.
